Residential (xStream + Voice and xStream) and Business (Business xStream + Voice) pricing includes all ILEC markets. xStream is the stand-alone internet product and xStream + Voice is the bundled product. Pricing reflected are retail rates only. Various term agreements are available at discounted rates. While TEC provisions its network and equipment to ensure that its customers can enjoy the speeds to which they subscribe, internet speeds generally result from a “best effort” service and are dependent on a number of variables, many of which are outside the control of an Internet Service Provider. Data Management Usage limits of 750GB apply to all residential plans. For additional information regarding our Data Management Usage policy, please visit our website at www.tec.com. Service not available in some areas. Taxes, surcharges, early termination, or additional fees may apply with any selected service. Bay Springs Telephone Company, Inc., ComNet, Inc., Crockett Telephone Company, Inc., National Telephone of Alabama, Inc., Peoples Telephone Company, Roanoke Telephone Company, Inc., and West Tennessee Telephone Company, Inc. are individually and collectively referred to as TEC and operate under this identity. TEC is an equal opportunity provider and employer.
